Congressman Larson to Host Public Forum on Health Care in Winsted

Hartford, CT-U.S. Congressman John B. Larson (CT-01) will host a public forum on the state of our nation's health care system at Northwestern Connecticut Community College on Sunday, October 25th from 3pm-5pm.

Larson will discuss health care reform and why health care reform is essential for American families and vital to the economic stability of our nation. He will also highlight local healthcare initiatives such as The Community Health Center of Greater Torrington receiving Federally Qualified Health Center status and the creation of a nursing program at NWCC.
